

# Jonathan H. Woodcock, M.D.

## CURRICULUM VITAE

**Current Position:** Associate Clinical Professor, Neurology  
Department of Neurology, School of Medicine  
University of Colorado at Denver Anschutz Medical Campus  
Aurora, Colorado

**Address:** 2789 Jamaica Street  
Denver, Colorado 80238

**E-mail:** WoodcockMD@AOL.com  
Jonathan.Woodcock@CUAnschutz.edu

### Education

1973 B.A., Houghton College, Houghton, New York  
1977 M.D. State University of New York at Buffalo, School of Medicine  
1977-1978 Intern in Medicine, University Hospitals of Cleveland, Cleveland, Ohio  
1978-1979 Junior Assistant Resident, Internal Medicine, University Hospitals of Cleveland  
1979-1982 Resident in Neurology, Massachusetts General Hospital, Boston, Massachusetts  
1982-1984 Resident in Psychiatry, McLean Hospital, Belmont, Massachusetts

### Academic Appointments

1977-1979 Teaching Fellow, Internal Medicine, School of Medicine, Case Western Reserve University, Cleveland, Ohio  
1979-1982 Clinical Fellow in Neurology, Harvard Medical School  
1982-1984 Clinical Fellow in Psychiatry, Harvard Medical School  
1984 Teaching Assistant in House Seminars, Faculty of Arts and Sciences, Harvard University (Course: Freud's World View; Course Director: Armand Nicholi, M.D.)  
1984-1989 Instructor in Psychiatry, Harvard Medical School  
1990-2003 Assistant Clinical Professor in the Department of Rehabilitation Medicine, University of Colorado Health Sciences Center  
1992-1993 Clinical Instructor in Neurology, School of Medicine, University of Colorado Health Sciences Center  
1993-2001 Assistant Clinical Professor in Neurology, School of Medicine, University of Colorado Health Sciences Center  
2001-2012 Associate Clinical Professor of Neurology, School of Medicine, University of Colorado Anschutz Medical Campus  
2012-2017 Assistant Professor of Neurology and Psychiatry, School of Medicine, University of Colorado Anschutz Medical Campus  
2017-2019 Associate Professor, Clinical Practice, Neurology and Psychiatry School of Medicine, University of Colorado Anschutz Medical Campus  
2019-2021 Clinical Associate Professor, Neurology School of Medicine, University of Colorado Anschutz Medical Campus

# Jonathan H. Woodcock, M.D.

## CURRICULUM VITAE

Page # 2

2021- Associate Clinical Professor, Neurology  
School of Medicine, University of Colorado Anschutz Medical Campus

### Hospital or other Professional Positions

1982-1984 Clinical and Research Fellow in Neurology - Massachusetts General Hospital, Boston, Massachusetts

1982-1984 Consultant in Neurology - McLean Hospital, Belmont, Massachusetts

1983-1986 Neurology Consultant - Bournewood Hospital, Brookline, Massachusetts

1983-1988 Courtesy Staff in Medicine (Neurology) - Newton-Wellesley Hospital, Newton Lower Falls, Massachusetts

1984-1989 Assistant Psychiatrist - McLean Hospital, Belmont, Massachusetts

1984-1989 Psychiatrist-in-Charge - Neuropsychiatry Unit, McLean Hospital, Belmont, Massachusetts

1985-1988 Assistant in Neurology - Massachusetts General Hospital, Boston, Massachusetts

1985-1989 Assistant Neurologist - McLean Hospital, Belmont, Massachusetts

1989-1992 Professional Staff (Psychiatry) - Centennial Peaks Hospital, Louisville, Colorado

1989-1990 Medical Director - Neurobehavioral Institute of the Rockies, Louisville and Boulder, Colorado

1991-1992 Neurology Consultant - Centennial Peaks Hospital, Louisville, Colorado

1991-1997 Medical Director - Mediplex Rehabilitation Hospital - Denver, Thornton, Colorado

1991- 2012 Consultant and Active Staff: Neurology and Psychiatry; Mediplex-Rehab Denver, Thornton, Colorado (2000: Sunspecrum Specialty Hospital; 2003: North Valley Rehabilitation Hospital, 2007: VIBRA Hospital of Denver)

1994-1995 Affiliate Staff, Neurology, Lutheran Medical Center, Wheat Ridge, Colorado

1992-2012 St. Anthony Hospital, Denver, Colorado (Neurology, Active status; 2008: Community status)

1992- present University of Colorado Hospital, Aurora, Colorado (Neurology)

1992- 2003 Associate Medical Director - Neurobehavioral Unit, Mediplex Rehab - Denver, Thornton, Colorado (2003, North Valley Rehab Hospital)

1998- 2012 Medical Director - Northern Colorado Therapy Center / Greeley Center for Independence, Greeley, Colorado

1998- 2012 North Colorado Medical Center, Greeley, Colorado (Neurology)

2002- 2009 President, Medical Staff, Sunspecrum Specialty Hospital (2003: North Valley Rehab Hospital; 2007: VIBRA Hospital of Denver)

2012- 2019 Clinical Director, Memory Disorders Clinic, University of Colorado Hospital  
Clinical Director, Alzheimer's Disease Research, Rocky Mountain Alzheimer's Disease Center, School of Medicine, University of Colorado Anschutz Medical Campus

2013- 2019 Medical Staff in Medicine / Neurology  
Colorado Mental Health Institute at Pueblo

2015 Consultant, Eli Lilly

2021- Medical Staff in Medicine / Neurology  
Colorado Mental Health Institute at Pueblo

2021- Medical Staff in Medicine / Neurology  
Colorado Mental Health Institute at Fort Logan

# Jonathan H. Woodcock, M.D.

## CURRICULUM VITAE

Page # 3

### Honors, Special Recognitions and Awards

1977	M.D. Thesis Honors, School of Medicine, State University of New York at Buffalo
1996	Professional of the Year, Brain Injury Association of Colorado
2012	Service Award, Greeley Center for Independence, Greeley, Colorado
2018	Profiles in Purpose, Leadership Award, Karsh Hagan Public Relations / Marketing, Denver, Colorado

### Membership in Professional Organizations

1977-	American Medical Association
1979-	American Academy of Neurology
1979-1989	Boston Society of Psychiatry and Neurology
1981-	Society of Cognitive and Behavioral Neurology
1983-	American Psychiatric Association
2015-	Life Member
1983-1989	Massachusetts Medical Society
1983-1989	Massachusetts Neurological Association
1983-1989	Massachusetts Psychiatric Society
1989-2012	Colorado Medical Society
1989-	Colorado Society of Clinical Neurologists
1989-	Colorado Psychiatric Society
1990-	American Neuropsychiatric Association
1992-	American Society of Neurorehabilitation
2014-	Neuropsychiatric Syndromes of Alzheimer's Disease (NPS) Professional Interest Area (PIA) Alzheimer's Association – Alzheimer's Association International Society to Advance Research and Treatment (ISTAART)
2018-	Down Syndrome Professional Interest Area (PIA) Alzheimer's Association – Alzheimer's Association International Society to Advance Research and Treatment (ISTAART)
2020-	North American Brain Injury Society
2020-	International Brain Injury Society

### Major Committee and Service Responsibilities

#### Hospital

1986-1989	Quality Assurance Committee, McLean Hospital
1988-1989	Advisory Committee, State Head Injury Program (SHIP) McLean-Middlesex Hospitals Inpatient Neurobehavioral Program
1989-1990	Psychiatry Quality Assurance Committee, Centennial Peaks Hospital
1989-1991	Medical Records - Utilization Review Committee, Centennial Peaks Hospital
1991-1997	Board of Governors, Mediplex Rehab - Denver

# Jonathan H. Woodcock, M.D.

## CURRICULUM VITAE

Page # 4

- 1991-2009 Medical Executive Committee, Mediplex-Rehab Denver, Thornton, Colorado (2000: SunSpectrum Specialty Hospital; 2003: North Valley Rehabilitation Hospital, 2007: VIBRA Hospital of Denver)
- 1992-1997 Executive Quality Improvement Committee, Mediplex Rehab-Denver
- 1992-1997 Patient Care Committee, Mediplex Rehab – Denver
- 1992-1997 Pharmacy & Therapeutics Committee, Mediplex Rehab-Denver
- 1992-1997 Program Evaluation Committee, Mediplex Rehab-Denver
- 2013-2019 Performance Improvement Committee, Department of Neurology, School of Medicine, UCD-AMC; Performance Improvement Coordinator, Behavioral Neurology Section
- 2013-2019 Clinical Affairs Committee, Department of Neurology, School of Medicine, UCD-AMC
- 2013-2019 Executive Committee, University of Colorado Alzheimer’s Disease Research and Clinical Center
- 2020- Board Certification Exam Preparation Committee, American Neuropsychiatric Association

### Governmental

- 1986 Planning Committee for contract proposal to Massachusetts Rehabilitation Commission for in-patient Neurobehavioral Unit (closed head injury), McLean Hospital
- 1996-1997 Task Force on Closed Head Injury Treatment Guidelines, Medical Cost Containment Unit, Division of Worker’s Compensation, Department of Labor and Employment, State of Colorado
- 2003-2010 State of Colorado Brain Injury Advisory Board.  
Subcommittee: Mental Health
- 2009 State of Colorado Interagency Committee on Mental Health Access in Traumatic Brain Injury

### Patient Advocacy

- 1992-1996 Epilepsy Foundation of Colorado, Professional Advisory Board
- 1993-1995 Brain Injury Association of Colorado (Formerly Colorado Head Injury Foundation)  
Board of Directors
- 1994-1995 President
- 2001-2008 Legislative Task Force, Brain Injury Association of Colorado (focus on Personal Injury Protection in State of Colorado automobile insurance)
- 2018 Colorado Delegation for Alzheimer’s Impact Movement (Alzheimer’s Association legislative outreach), US Capitol, Washington, DC

### Licensure and Board Certification

- 1978 National Board of Medical Examiners, Diplomate
- 1979-1991 Massachusetts Medical License Registration
- 1983 American Board of Internal Medicine, Certificate (#185245)
- 1989 Colorado Medical License Registration
- 1990 American Board of Psychiatry and Neurology (Neurology Certificate #33641)
- 1992- American Society of Neurorehabilitation Certified Member (Certificate #232)

# Jonathan H. Woodcock, M.D.

## CURRICULUM VITAE

Page # 5

- 1993 American Board of Psychiatry and Neurology (Psychiatry Certificate #37529)
- 1993- 2014 Level II Accreditation, Impairment Evaluation for Division of Worker's Compensation, State of Colorado
- 2006-2017 United Council for Neurologic Subspecialties, Subspecialty Certification, Behavioral Neurology & Neuropsychiatry (period for 10 years)
- 2017- United Council for Neurologic Subspecialties, Subspecialty Certification, Behavioral Neurology & Neuropsychiatry (period for 10 years; annual maintenance of certification) (MRA9011111043)

### Review and Referee Work

- 1996 Contributor: The Vegetative and Minimally Conscious States: Diagnostic, Prognostic and Treatment Issues. The Aspen Neurobehavioral Institute Consensus Statement, March 1996.
- 1998 Reviewer: Papers and Posters for American Academy Physical Medicine and Rehabilitation. Annual Assembly, November, 1998
- 2001 Task Force on Chronic Pain Medical Treatment Guidelines, Medical Cost Containment Unit, Division of Worker's Compensation, Department of Labor and Employment, State of Colorado
- 2004 Task Force on Revision of Traumatic Brain Injury Medical Treatment Guidelines, Medical Cost Containment Unit, Division of Worker's Compensation, Department of Labor and Employment, State of Colorado
- 2012 Task Force on Revision of Traumatic Brain Injury Medical Treatment Guidelines, Medical Cost Containment Unit, Division of Worker's Compensation, Department of Labor and Employment, State of Colorado

### Invited Extramural Lectures, Presentations and Visiting Professorships

1984  
"Carbamazepine in Psychiatric Illness"  
Internal Medicine Grand Rounds, Newton-Wellesley Hospital, Newton Lower Falls, Massachusetts

"The Evaluation and Management of Behavioral Problems in the Neuropsychiatric Patient"  
Grand Rounds, Spaulding Rehabilitation Hospital, Boston, Massachusetts

1985  
"Neurology of Emotion"  
MS2 course in psychopathology  
University of Massachusetts at Worcester Medical School

1986  
"Psychiatric Uses of Carbamazepine"  
Medical Staff Grand Rounds, Bournewood Hospital, Brookline Massachusetts

1987  
"Traumatic Brain Injury: A Psychiatric Perspective"

**Jonathan H. Woodcock, M.D.**

**CURRICULUM VITAE**

Page # 6

Psychiatry Grand Rounds, Brigham and Women's Hospital, Boston, Massachusetts

"Hyper-religiosity"

Annual Conference, American Scientific Affiliation, Houghton, New York

1989

"Delirium"

Medical Staff Grand Rounds, St. Mary's Hospital, Grand Junction, Colorado

1990

"Medical Management of Behavioral Dysfunction in Brain Injured Patients"

Colorado Society of Clinical Neurologists

"Behavioral Syndromes in Stroke Patients"

St. Mary Corwin Hospital Stroke Conference, Pueblo, Colorado

1992

"Consequences and Treatment of Traumatic Brain Injury"

Medical Staff Grand Rounds, Kaiser Permanente, Westminster, Colorado (November 11, 1992)

"Depression During Recovery from Traumatic Brain Injury".

Course: Depression and the Brain Injured Patient

American Psychiatric Association Annual Meeting, Washington, D.C. (May, 1992)

"Traumatic Brain Injury"

Primary Care Update, Colorado Society of Osteopathic Medicine, Denver, Colorado (November 14, 1992)

1995

"Closed Head Injuries: Long Term Rehabilitation and Sequelae"

Grand Rounds, Lutheran Hospital Medical Staff; Wheat Ridge, Colorado (May 23, 1995)

1996

"Neural Network Theory and Brain Function"

Graduates Psychology Course; University of Denver Professional Psychology Program  
(Douglas McNinch, Ph.D.)

1999

"Pathophysiology and Management of the Traumatic Brain Injury"

Department of Physical Therapy, Regis University

(Ira Gorman, M.S PT)

2004

"Psychopharmacology of Organic Affective Delusional Disorder"

Professional Staff, North Range Behavioral Health, Greeley, Colorado

**Jonathan H. Woodcock, M.D.**

**CURRICULUM VITAE**

Page # 7

2005

"Mental Health Treatment in Traumatic Brain Injury"

Professional Staff, Aurora Mental Health Center, Aurora, Colorado

2008

"Medication Management, Behavioral Interventions & Mental Health Considerations in MTBI"

Mild Traumatic Brain Injury Seminar, University of Denver, Denver, CO

2016

"Dementia - Are You Worried? What's New in Diagnosis, Prevention and Treatment"

Osher Lifelong Learning Institute, University of Denver

2018

Plenary Speaker: The Therapeutic Enigma of Alzheimer's Disease

Judge for Graduate Students Research Posters

Pharmaceutical Research Symposium – 2018 (October 25, 2018)

Department of Pharmaceutical Sciences, School of Pharmacy, North Dakota State University, Fargo, North Dakota

**Teaching Record**

**Lectures and Media Presentations**

1984

"Neuropsychiatry" to Friends of McLean Hospital, Belmont, Massachusetts

"Epilepsy" in McLean Hospital Psychiatry Board Review Course

1985

"Medical and Psychiatric Aspects of Tourette Syndrome"

Tourette Syndrome Awareness Benefit, Curry College, Milton, Massachusetts

"Brain Function and the Psychiatric Rehabilitation Patient"

Grand Rounds, McLean Hospital Rehabilitation Service, Belmont, Massachusetts

"Autism in Adult Psychiatric Patients"

Grand Rounds, Rehabilitation Service McLean Hospital, Belmont, Massachusetts

1986

"Evaluating Abnormal Behaviors"

Brookline Police Department In-service, Brookline, Massachusetts

Guest, Talk About the Mind, Joseph Dreyfus, M.D., host, Milton Cablevision

Topic: Neuropsychiatry

Participant and Presenter on Neuropsychiatry at McLean, McLean Hospital

**Jonathan H. Woodcock, M.D.**

**CURRICULUM VITAE**

Page # 8

175th Anniversary Community Open House, October 26, 1986.

1987

Guest, Talk About the Mind, Joseph Dreyfus, M.D., host, Milton Cablevision  
Topic: Behavioral Aspects of Head Injury

"The Psychiatric Profile of the Head Injured Patient"

McLean - New Medico Head Injury Conference

1989

"Multidisciplinary Management of Behavioral Problems in Organic Brain Dysfunction"  
Professional Staff In-Service, Centennial Peaks Hospital, Louisville, Colorado

"Pathophysiology of Behavioral Problems in Traumatic Brain Injury"

Professional Staff Grand Rounds, Centennial Peaks Hospital, Louisville, Colorado

“Clinical Trials”

Research Education Day

University of Colorado Anschutz Medical Campus (October 14, 2017)

University of Colorado Hospital, Nurses Improving Care for Healthsystem Elders (NICHE)

Dementia: Living with Dementia: Diagnosis, Adaptation and Hope for the Future

“Current trends in Dementia, Research: Is there hope for the Future?” (May 19, 2017)

Society of Nuclear Medicine and Molecular Imaging (SNMMI)

2017 Patient Education Day, Breakout Session

“Alzheimer’s Disease “What to Expect from Your Neurologist” (June 11, 2017)

“Making the Diagnosis of Fronto-Temporal Dementia”

Michael K. Cooper Neuropsychiatry Conference

University of Colorado Anschutz Medical Campus (September 8, 2017)

2018

Denver TV 9 News: multi-part series on Alzheimer’s disease, RMADC clinical care and research (February – March)

TV Interview, Channel 7, ABC affiliate, Denver (May 18, 2018)

**Jonathan H. Woodcock, M.D.**

**CURRICULUM VITAE**

Page # 17

*Experts question claims stem cells can treat Alzheimer's disease*

Ryan Luby, Brittany Freeman

Discussed lack of evidence for advertised stem cell therapies for Alzheimer's disease in Denver.  
(blob:<https://www.thedenverchannel.com/d5322291-c59e-4718-a22a-10ace890e25f>)

Lecture: Aging and the Brain (May 16, 2018)

Forum for Colorado Attorneys and Judges, University Club, Denver

Opinion Column, Denver Post (June 3, 2018)

*Let's Talk About How Talk About Dementia*, Huntington Potter, Jonathan Woodcock

Discussed impact of Dementia Diseases and Related Disabilities Act, HB 18-109, passed in March 2018, on those impacted by neurodegenerative diseases in Colorado.

(<https://www.denverpost.com/2018/06/01/lets-talk-about-how-we-talk-about-dementia/>)

Denver TV 9 News: Leukine study: interview with me and patient / study subject (June 12, 13, 2018)

Talk: Alzheimer's Disease: A Burden for African Americans (July 31, 2018)

Western States Baptist Convention, Aurora, CO

Denver Radio, Crusin 1430 (October 4, 2018)

Interview with Jill Lorenz, host of program Dementia Resilience / international podcast

Talk / Participant (October 13, 2018)

2<sup>nd</sup> Annual Research Education Event, RMADC

Newspaper reporter, Judd Haims, Colorado Mountain News (November 2018)

Interviews of Alzheimer's disease management and research

2019

Denver Post; Reporter: Jessica Simpson (January 27 – 29, 2019)

3 part series on family impact of Alzheimer's dementia.

Multiple background contacts with Ms. Simpson. Cited in article.

The Neurology of Free Will

Science Friday, Behavioral Neurology Division, Department of Neurology, University of Colorado Anschutz Medical Campus (September 6, 2019)

The Neuropsychiatry of Traumatic Brain Injury: "How to Recognize Permanent Brain Impairment, even if 'Mild'"

TBI Med School for Lawyers - Florida Justice Association (Tallahassee, Florida) at Renaissance Orlando at Seaworld (October 4, 2019)

2022

Managing the Trinity of Traumatic TBI: Pain, PTSD and Brain Damage  
with Syed Asad, M.D.

# Jonathan H. Woodcock, M.D.

## CURRICULUM VITAE

Page # 18

Florida Justice Association Research and Education Foundation Winter Ski Steve Yerrid Seminar  
Viewline Resort, Snowmass, Colorado  
(January 14, 2022)

### **Undergraduate Seminar**

1984

Teaching Assistant in house seminar for Harvard College upper classmen undergraduates on Freud and his Weltanschauung (Armand Nicoli, M.D., Professor of Psychiatry, Harvard Medical School)

### **Medical Student Lectures**

2014

“Pharmacology of Alzheimer’s Disease”

Health Sciences Course: Applied Clinical Pharmacology, MEDS 8029

Wenbo Zhou, PhD, Associate Professor of Medicine

### **Graduate Student Lectures**

2013

“Alzheimer’s Disease”

Graduate Course: Tissue Biology and Disease, IDPT 7646

Simon Rock Levinson, Ph.D., Professor of Physiology and Biophysics

2014

“Alzheimer’s Disease – Clinical Insights into Biology”

Graduate Course: Biological Basis of Psychiatric and Neurological Disorders, NRSC 7614

Jason Tregellas, Ph.D., Associate Professor, Department of Psychiatry

“Alzheimer’s Disease”

Graduate Course: Tissue Biology and Disease, IDPT 7646

Roger Bannister, Ph.D., Assistant Professor, Dept. of Medicine

2015

“Alzheimer’s Disease”

Graduate Course: Tissue Biology and Disease, IDPT 7646

Roger Bannister, Ph.D., Assistant Professor, Dept. of Medicine

2016

“Alzheimer’s Disease – Clinical Insights into Biology”

Graduate Course: Biological Basis of Psychiatric and Neurological Disorders, NRSC 7614

Jason Tregellas, Ph.D., Associate Professor, Department of Psychiatry

“Alzheimer’s Disease”

Course: Tissue Biology and Disease Mechanism (IDPT 7646 )

Course Director: Roger Bannister, Ph.D.

2017

“Alzheimer’s Disease”

Course: Tissue Biology and Disease Mechanism (IDPT 7646 )

Course Director: Roger Bannister, Ph.D.

2018

“Alzheimer’s Disease”

Course: Tissue Biology and Disease Mechanism (IDPT 7646 )

Course Director: Roger Bannister, Ph.D.

**Resident Lectures**

1997

"Psychopharmacology of Behavior"

Resident Conference, Department of Physical Medicine and Rehabilitation

University of Colorado Health Sciences Center (March 11, 1997)

2013

“Alzheimer’s Disease and Frontotemporal Dementia”

Psychiatry Residents, PGY-2

“Alzheimer’s Disease & Other Degenerative Dementias”

Neurology Residents Didactic

2014

“Alzheimer’s Disease & Other Degenerative Dementias”

Psychiatry Resident Didactic in Course: Behavioral Neurology – Neuropsychiatry

“Memory, Mild Cognitive Impairment, Alzheimer’s Disease”

Neurology Residency Core, Behavioral Neurology Lecture Series

2015

“Alzheimer’s Disease & Other Degenerative Dementias”

Psychiatry Resident Didactic - Behavioral Neurology – Neuropsychiatry

“Memory, Mild Cognitive Impairment and Alzheimer’s Disease”

Neurology Residency Core - Behavioral Neurology Lecture Series

“Functional Neurologic Disorders”

Neurology Resident Didactic Emergency Lecture Series

2016

“Alzheimer’s Disease & Other Degenerative Dementias”

Psychiatry Resident Didactic - Behavioral Neurology – Neuropsychiatry

“Memory, Mild Cognitive Impairment and Alzheimer’s Disease”

Neurology Residency Core - Behavioral Neurology Lecture Series

**Jonathan H. Woodcock, M.D.**

**CURRICULUM VITAE**

Page # 20

“Functional Neurologic Disorders”

Neurology Resident Didactic Emergency Lecture Series

2017

“Alzheimer’s Disease & Other Degenerative Dementias” (February 22, 2017)

Psychiatry Resident Didactic, Behavioral Neurology-Neuropsychiatry

“Mild Cognitive Impairment and Alzheimer’s Disease” (May 31, 2017)

Neurology Resident Core – Behavioral Neurology Series Didactic

2018

“Mild Cognitive Impairment and Alzheimer’s Disease” (May 30, 2018)

Neurology Resident Core – Behavioral Neurology Series Didactic

“Functional Neurologic Disorders” (August 1, 2018)

Neurology Resident Didactic Emergency Lecture Series

2019

“Mild Cognitive Impairment and Alzheimer’s Disease” (June 12, 2019)

Neurology Resident Core – Behavioral Neurology Series Didactic

**Ward / Clinic Attending Duties**

1977-1979 Taught clinical clerks on internal medicine rotations at Lakeside and Veterans Administration Hospitals, Cleveland, Case Western Reserve University School of Medicine

1979-1982 Taught clinical clerks on neurology rotations at Massachusetts General Hospital, including neurology seminars for medical students

1984-1989 Weekly nursing staff in-service on McLean Hospital Neuropsychiatry Unit Supervisor, clinical clerks rotating on Neuropsychiatry Unit, McLean Hospital

1985-1987 Supervisor, second year psychiatry resident on Neuropsychiatry Unit, McLean Hospital

1986 Supervisor, psychology intern on Neuropsychiatry Unit, McLean Hospital

1986 Faculty (clinical resource), Harvard Medical School, New Pathway Curriculum, Information Processing and Behavior Section

1986-1988 Teaching Attending, Neurology Ambulatory Unit, Massachusetts General Hospital

**Jonathan H. Woodcock, M.D.**

**CURRICULUM VITAE**

Page # 21

1987-1989      Supervisor, second year neurology resident (Massachusetts General Hospital) on Neuropsychiatry Unit, McLean Hospital

1991-            Supervisor, Physical Medicine and Rehabilitation Resident (University of Colorado School of Medicine). Brain Injury and Neurobehavioral Rehabilitation Units, Mediplex Rehab-Denver

1992-2012      Supervising Attending, Behavioral Neurology Clinic, University of Colorado Health Sciences Center

1993-1995      Supervising Attending, Behavioral Neurology Fellow, University of Colorado School of Medicine, at Mediplex Rehab-Denver

2012-2013      Supervising Attending, Behavioral Neurology Fellow, University of Colorado Hospital Functional Neurologic Disorders Clinic (Erin Lonnquist, MD)

2013-2017      Mentor, Brice McConnell, M.D., Ph.D., Neurology Resident (2013-2016); Behavioral Neurology Fellow (2016-2017)

2014-2015      Supervising Attending, Behavioral Neurology Fellows, University of Colorado Hospital Memory Disorders Clinic (Samantha Holden, M.D, Michael Persenaire, M.D.)

2015-2016      Supervising Attending, Behavioral Neurology Fellows, University of Colorado Hospital Memory Disorders Clinic (Samantha Holden, M.D, Brice McConnell, M.D., Ph.D.)

2015-            Supervising Attending, University of Colorado Hospital Memory Disorders Clinic for Advanced Practice providers, rotating Internal Medicine Residents, medical students and students in Physician Assistant and Nurse Practitioner Programs

2015-2016      Mentor (Licensure Certification), Marina Kandova, NP (Memory Disorders Clinic, University of Colorado Hospital)

October 2015    Supervising Attending, University of Colorado Hospital General Neurology In-Patient Service: Supervised PGY-2 and PGY-3 Neurology Residents and medical students for 1 week.

2016            Participated in Supervised Clinical Learning Experience for Movement Disorder Fellow

2016-            Mentor – Physician Supervisor, Patrice McMoon, PA-C (Memory Disorders Clinic, University of Colorado Hospital)

2016-2017      Supervising Attending, Behavioral Neurology Fellow, University of Colorado Hospital Memory Disorders Clinic (Brice McConnell, M.D., Ph.D.)

2017-2018      Supervising Attending, Behavioral Neurology Fellow, University of Colorado Hospital Memory Disorders Clinic (James Bateman, M.D and Justin Persson, M.D.)

# Jonathan H. Woodcock, M.D.

## CURRICULUM VITAE

Page # 22

2018-2019          Supervising Attending, Behavioral Neurology Fellow, University of Colorado Hospital  
Memory Disorders Clinic (Justin Otis, M.D.)

### Supported Research Projects

2012 – 2019

University of Colorado Alzheimer's and Cognition Center:

- State of Colorado Legislative support of University of Colorado Alzheimer's and Cognition Center -  
Philanthropic support

These funds have also supported:

- the Standard of Care Longitudinal Memory – Dementia Study (Role: PI; COMIRB #: 15-0122)
- the Biomarker-Phenotype Longitudinal Memory – Dementia Study (Role: Co-PI; COMIRB #15,1774)
- the Phase 2 Study of Leukine (granulocyte – macrophage colony stimulating factor) in the Treatment of Mild to Moderate Alzheimer's Disease (Role: Co-PI; COMIRB # 12-1273; also partially funded by the Dana Foundation)
- the RMADC Tissue Bank (COMIRB# 15-1325).

Project Title: Safety & Efficacy of GM-CSF/Leukine in Mild-to-Moderate Alzheimer's Disease

Leukine – Phase 2 – 3; PI: Huntington Potter, Ph.D; Role: Co-PI

Funded by Alzheimer's Association

2015-2019:

EMERGE study of aducanumab in Alzheimer's disease [Protocol Title: A Phase 3 Multicenter, Randomized, Double-Blind, Placebo-Controlled, Parallel-Group Study to Evaluate the Efficacy and Safety of Aducanumab (BIIB037) in Subjects with Early Alzheimer's Disease.

Biogen Protocol Number: 221AD302].

Role: Principal Investigator, University of Colorado – Anschutz Medical Campus Site

2015-2016:

Imaging Dementia—Evidence for Amyloid Scanning (IDEAS) Study: A Coverage with Evidence Development Longitudinal Cohort Study.

Sponsored by: Alzheimer's Association

Managed by: American College of Radiology American College of Radiology

Imaging Network Advisor: Centers for Medicare and Medicaid Services (CMS)

Clinical Trials NCT02420756

Role: Principle Investigator, University of Colorado – Anschutz Medical Campus Site
