Teaching Positions

Pathology Course Director (MPAS 5130 and 5131) 07/2011-05/2018
Child Health Associate/Physician Assistant Program, University of Colorado

- Created an integrated lecture schedule with physiology/biochemistry
- Wrote consistent, uniform learning objectives

- Added gross specimen labs and interpretation/review of pathology reports
- Aided in design of new clinical presentation-based curriculum instituted July 2018

Pathology Content Consultant

06/2017-10/2018

Child Health Associate/Physician Assistant Program, University of Colorado

- Aided in determination of lecture order and content of new clinical presentation-based curriculum instituted July 2018
- Created and revised lectures to meet the requirements of the new curriculum

Co-Block Director, Disease and Defense Block (IDPT 5004)

09/2018-2021

University of Colorado School of Medicine

- Revised pathology small groups to accommodate team-based type learning
- Revised pathology small groups to accommodate virtual groups due to COVID 19
- Arranged training in TBL facilitation for the pathology faculty and residents
- Added take home points for each pathology small group
- Reworked exam questions making the majority vignette style questions
- Reviewed all course materials and assessment items for bias
