

Kristen M. (Moore) Eisenman, M.D.

10197 E 31st Avenue

Denver, CO 80238

(352) 514-8077

eisenman.kristen@tchden.org

EDUCATION AND EMPLOYMENT:

- July 2007- University of Colorado Denver
Pediatric Hematology Oncology BMT Fellow
- July 2006- June 2007 University of Florida
Pediatric Chief Resident
- July 2003- June 2006 University of Florida
Pediatric Resident
- Aug 1999- May 2003 University of Nebraska College of Medicine
M.D. With Distinction, *AOA*
- Aug 1995- May 1999 University of Nebraska at Lincoln
Bachelor of Science, Biological Sciences
Bachelor of Arts, French (Honors Program)
Chancellor's Scholar (GPA 4.0)
With High Distinction

HONORS AND AWARDS:

- 2010 Fellow Travel Stipend Award for platform presentation at American Society of Pediatric Hematology Oncology Meeting, Montreal, Quebec
- 2004 Chapman Society Member, a chapter of the Gold Humanism Honor Society. First Pediatrics Resident and one of five UF residents in 2004 to be selected by medical students
- 2003 Alpha Omega Alpha Honor Society Membership, UNMC
- 2003 American Medical Women's Association, Glasgow Memorial Achievement Citation, UNMC
- 2003 Mark Husk Pediatric Scholar Award, UNMC
- 2002-2003 Regents Full Tuition Academic Scholarship, UNMC
- 2001-2002 Full Tuition Academic Scholarship, UNMC
- 2000-2001 John L. Hoppe, College of Medicine's Class of Distinguished Scholars, Osthoff Bell, and Tomlinson Memorial Academic Scholarships, UNMC

- 1999-2000 Edward Holyoke Academic Scholarship, UNMC
- 1995-1999 Regent's 4-year Full Tuition Academic Scholarship, UNL

TEACHING POSITIONS:

- 2010- Preceptor, University of Colorado School of Medicine
Blood and Lymph Section
- 2010 Small Group Facilitator. "Effective Telephone Communication." First
Year Fellowship Education Series. The Children's Hospital. Aurora,
CO

PROFESSIONAL SOCIETY MEMBERSHIPS:

- 2009- American Society of Pediatric Hematology Oncology
- 2007- Childrens Oncology Group
- 2007- American Society of Hematology

COMMITTEE MEMBERSHIPS:

- 2010- Fellow Representative
Committee on Fellow Education, University of Colorado
- 2010- Physician Fellow Representative
Patient Satisfaction Committee, The Children's Hospital . Aurora, CO

LICENSURE AND CERTIFICATIONS:

- 2006 ABP General Pediatrics Board Exam, Passed
- Exp. 5/2011 Colorado Medical Licensure
- Exp. 1/2013 Pediatric Advanced Life Support Training

INVITED PRESENTATIONS:

- November 2011 "Mer receptor tyrosine kinase expression in leukemia patient samples."
Joint Lab Inhibitor Development Meeting. University of North Carolina.
Raleigh, NC.
- October 2010 Physician question and answer panel for parents of oncology patients.
The Children's Hospital. Aurora, CO
- April 2010 "Mer receptor tyrosine kinase as a potential novel therapeutic target in
Acute Myeloid Leukemia." Oral platform presentation. American
Society of Pediatric Hematology Oncology Annual Meeting. Montreal,
Quebec.

- January 2010 "Mer receptor tyrosine kinase as a potential novel therapeutic target in Acute Myeloid Leukemia." Poster presentation. University of Colorado Denver Pediatric Poster Session.
- April 2006 "Florida Fluoride Project." Poster Presentation Pediatric Academic Society annual meeting. San Francisco, CA.

REVIEW WORK:

- 2008- Periodic Review of Clinical Research Protocols (every 3-4 months), University of Colorado Clinical Investigations Core.

GRANTS:

Ongoing Research Support:

For Julie Foundation

Title: Evaluation of Mer and Axl Expression in Acute Myeloid Leukemia

Goal: To evaluate primary AML patient samples for evidence of Mer and Axl RTK expression and associated signaling pathways, validating Mer as a potential therapeutic target in AML

Dates of Approved Project: 2/1/11-2/1/12

Role: PI

Direct Costs: \$25,000

Completed Research Support:

American Academy of Pediatrics Resident Community Access to Child Health Grant

Title: Florida Fluoride Project

Goal: To promote oral health education and early childhood caries prevention through pediatric office-based application of fluoride varnish

Dates of Approved Project: 11/1/2005-1/31/2006

Role: PI (Eisenman, Lossius)

Direct Costs: \$3,000

PUBLICATIONS:

In Preparation:

Eisenman, K, Sherick, A, McGranahan, A, Sather, S, Cannon, C, Molk, D, Martinson, H, Desch, A, Liang, X, DeRyckere, D, Keating, A, and Graham, D. "Mer receptor tyrosine kinase is over-expressed in and contributes to oncogenesis in Acute Myeloid Leukemia."

Eisenman, K, Fenton, L, Karrer, F, Lovell, M, Greffe, B. "Infantile Neuroblastoma Presenting with Multifocal Skin Involvement and Intracranial Metastasis."

Peer Reviewed:

Harshman, LG, **Moore, KM,** Sty, MA, et al. "Stress Resistance

and Longevity in Selected Lines of *Drosophila Melanogaster*.”
Neurobiology of Aging. 1999; 20: 521-529.

Abstracts:

Eisenman, KM, Sather, S, McGranahan, A, Liang, X, Desch, A, Cannon, C, Martinson, H, Keating, A, Graham, DK. 2010. “Mer Receptor Tyrosine Kinase as a Potential Novel Target in Acute Myeloid Leukemia.” *Pediatric Blood and Cancer* 54:790.

RESEARCH:

- July 2008- Pediatric Hematology Oncology Fellow.
PI: Doug Graham, MD, PhD.
Targeting Mer Receptor Tyrosine Kinase in Acute Myeloid Leukemia.
- 2/2009-3/2010 “Evaluation of Mer and Axl Expression in Acute Myeloid Leukemia Patient Samples.” Biology Study of twenty COG Patient Samples. COG AAML10B4. PI: Kristen Eisenman.
- August, 2000 Research Assistant.
PI: Kate Fiandt, ARNP.
Administered three-year data collection and analysis at the SHARING clinic, a student-run clinic for low-income patients. Results contributed to a grant proposal providing a more focused and effective program to treat sexually transmitted disease.
- 1997-1999 Research Assistant.
PI: Dr. Larry Harshman, PhD.
“Multiple Stress Resistance in *Drosophila Melanogaster*.”
(Honors Undergraduate Thesis)
