

## **Brian J. Flynn, M.D.**

Diplomat American Board of Urology, Female Pelvic Medicine Reconstructive Surgery  
Professor of Surgery/Urology  
Fellowship Director of Genitourinary Reconstructive Surgery  
Co-Director Women's Pelvic Health and Surgery Clinic  
University of Colorado Denver

### **OFFICE ADDRESS:**

Academic Office One Building, Room 5602  
12631 E 17<sup>th</sup> Avenue, C-319  
Aurora, Colorado 80045  
Tel: 303-724-2721  
Fax: 303-724-2818  
Brian.Flynn@cuanschutz.edu  
Twitter handle: @Brian\_J\_Flynn

### **EDUCATION**

July 2001-June 2002	<b>Fellowship</b> <b>Female Pelvic Medicine and Reconstructive Urology,</b> <b>Duke University Medical Center</b> Durham, North Carolina Director: George D. Webster, M.B., FRCS
July 1997-June 2001	<b>Urology Residency, Geisinger Health System</b> Danville, Pennsylvania Chairman/Residency Director: Joseph J. Mowad, M.D.
July 1995-June 1997	<b>General Surgery Internship/Residency,</b> <b>Geisinger Health System</b> Danville, Pennsylvania
1995	<b>M.D., Temple University School of Medicine</b> Philadelphia, Pennsylvania
1991	<b>B.S., University of Rochester</b> Rochester, New York Major: Electrical Engineering Concentration: Biomedical Engineering

### **ACADEMIC APPOINTMENTS**

July 2016-present	<b>Professor,</b> University of Colorado School of Medicine, Aurora, Colorado
July 2008-2016	<b>Associate Professor,</b> University of Colorado School of Medicine, Aurora, Colorado

- July 2002-June 2008     **Assistant Professor**, University of Colorado School of Medicine, Aurora, Colorado
- July 2001-June 2002     **Clinical Instructor**, Duke University Medical Center, Durham, North Carolina

### **HOSPITAL APPOINTMENTS**

- June 2002-present     University of Colorado Hospital, Denver, CO
- June 2019-present     University of Colorado Hospital, Highlands Ranch, CO
- June 2002-present     Denver Health Medical Center, Denver, CO
- June 2002-present     The Children’s Hospital of Colorado, Denver, CO
- June 2002-present     Veterans Administration Hospital, Denver, CO

### **HONORS AND AWARDS**

- 2020     Best Poster, Annual virtual meeting of the Virtual Societe Internationale d’ Urologie, October 2020. Hughs, M., Policastro, C., Martins, F., Lumen, N., Venkatesan, K., Perez, E., Simham, J., Angulo, J., Blakely, S., Redger, K., **Flynn, B. J.**, Rusilko, P., Gupta, S., and Nikolavasky, D.: *Acceptable outcomes utilizing dorsal onlay urethroplasty for radiation-induced urethral stenosis: A multi-institutional experience.*
- 2019     Best Poster, Annual meeting of the Southcentral Section AUA, Colorado Springs, Colorado, September 2019. Villarreal, H., Koslov, D., Maroni, P., Higuchi, T. T. and **Flynn, B. J.**: *Robotic buccal mucosa graft ureteroplasty for benign ureteral stricture disease: A single institution experience.*
- 2017     Best Poster, section 8, reconstruction, trauma and urethroplasty: Societe Internaionale D’Urologie (SIU) 37<sup>th</sup> annual meeting, Libson, Portugal, October 2017. Nikolavsky, D., Donalizio da Silva, R., Marks, J. M., Kim, F. and **Flynn, B. J.**: *Transvesical ventral buccal mucosa graft inlay cystoplasty for reconstruction of refractory bladder neck contracture after benign prostatic hyperplasia surgery: Surgical techniques and preliminary results.*
- 2016     Faculty Teaching Award, Division of Urology, University of Colorado School of Medicine. The award, initiated by the University of Colorado Urology Residents is presented annually to recognize an outstanding urology educator. There are 25

faculty members eligible for this award and I have been the recipient three times in nine years.

- 2016 AUA Residents Committee Teaching Award Nominee, this award is presented to 1 individual, 14 nominated. The award, initiated by the AUA Residents Committee and approved by the AUA Board, is presented annually to recognize an outstanding urology educator or program director that has dedicated a portion of his/her career to teaching residents and advancing urology graduate medical education.
- 2015 AUA Victor A. Politano Award Nominee, this award is presented to an individual (urologist, basic scientist, researcher, biomedical engineer, etc.) for outstanding achievements in the field of urinary incontinence and for enhancing the treatment of incontinent patients.
- 2014 AUA Victor A. Politano Award Nominee, this award is presented to an individual (urologist, basic scientist, researcher, biomedical engineer, etc.) for outstanding achievements in the field of urinary incontinence and for enhancing the treatment of incontinent patients.
- 2014 Faculty Teaching Award, Division of Urology, University of Colorado School of Medicine.
- 2012 Best Doctor for Executives, Named Best Female Pelvic Medicine and Reconstructive Surgery Doctor, ColoradoBiz Magazine
- 2008 Faculty Teaching Award, Division of Urology, University of Colorado School of Medicine
- 2007 & 2008 Best Doctors.com
- 2007 University of Colorado Hospital Leadership Award
- 2002 Third Prize: Video presentation, 97<sup>th</sup> Annual Meeting of the AUA, Orlando, Florida, May 2002.  
Webster, G. D., **Flynn, B. J.** and Amundsen, C. L.:  
*Transvaginal uterosacral vault suspension for the treatment of vaginal vault prolapse.*
- 2000 First Prize Resident Essay: 58<sup>th</sup> Annual Meeting of the Mid-Atlantic Section of the AUA, Rio Grande, Puerto Rico, October 2000. The Pfizer Scholars in Urology Award, June 30, 2000

- Flynn, B. J.**, Mian, H. S., Cera, P. J., Kabler, R. L., Mowad, J. J., Cavanaugh, A. H. and Rothblum, L. I.: *Early molecular changes associated with partial bladder outlet obstruction.*
- 2000 Resident Prize Essay: 52<sup>nd</sup> Annual Meeting of the Northeastern Section of the AUA, Pittsburgh, Pennsylvania, September 2000.  
**Flynn, B. J.**, Mian, H. S., Cera, P. J., Kabler, R. L., Mowad, J. J., Cavanaugh, A. H. and Rothblum, L. I.: *Early molecular changes associated with partial bladder outlet obstruction.*
- 1999 Resident Prize Essay: 57<sup>th</sup> Annual Meeting of the Mid-Atlantic Section of the AUA, Hilton Head, South Carolina, October 1999.  
**Flynn, B. J.** and Yap, W. T.: *Randomized trial to evaluate efficacy and cost of nalbuphine versus morphine in women after pubovaginal sling.*
- 1997 Third Prize Resident Essay: 54<sup>th</sup> Annual Meeting of the Mid-Atlantic Section of the AUA, Hot Springs, Virginia, September 1997.  
**Flynn, B. J.**, Mian, H. S., Mowad, J. J. and Kabler, R. L.: *Once-daily administration of gentamicin in the elderly with febrile urinary tract infections: Evaluation of efficacy, nephrotoxicity and cost.*

#### **PROFESSIONAL MEMBERSHIPS**

- 2015-present International Urogynecological Association, active member
- 2009-present Society of Urodynamics, Female Pelvic Medicine and Urogenital Reconstruction, active member
- 2008-present Society of Genitourinary Reconstructive Surgeons, active member
- 2002-present Rocky Mountain Urological Society
- 2002-present American Urological Association, South Central Section, active member
- 2001-present American Urological Association, active member

#### **NATIONAL COMMITTEE APPOINTMENTS**

- 2019-2021 Past-President, Rocky Mountain Urologic Society
- 2017-2019 President, Rocky Mountain Urologic Society

2017-2018	Past-President (President of the nominating committee) South Central Section of the American Urologic Association
2016-2017	President, South Central Section of the American Urologic Association
2015-2016	AUA Urethral Stricture Peer Review Guidelines Director
2015-2016	President-elect, Rocky Mountain Urologic Society
2014-present	AUA medical-legal Reviewer Panel member of Genitourinary Reconstructive cases
2013-2015	Treasurer/Secretary, Rocky Mountain Urologic Society
2011-2013	At-large board member, Rocky Mountain Urologic Society
2007-2013	Colorado state representative to the South Central Section of the American Urologic Association
2008-2010	Society of Genitourinary Reconstructive Surgeons, board member
January 2009	NIDDK New Research Directions in Urinary Incontinence Symposium, Bethesda, Maryland

**UNIVERSITY OF COLORADO APPOINTMENTS AND SERVICE**

July 2018-present	Founder and Director of Genitourinary Reconstructive Surgery Research Fellowship, University of Colorado School of Medicine
June 2013-present	Founder and Co-Practice Director of Women's Health and Surgery Clinic, University of Colorado Hospital
2013-2018	Improving bladder care for patients with multiple sclerosis, COMIRB#13-2482, Participants: PI: Miravalle, A., Sub-PI: Flynn, B.J., University of Colorado Hospital
July 2008-present	Founder and Director of Genitourinary Reconstructive Surgery Fellowship, University of Colorado School of Medicine
June 2002-present	Practice Director of Bladder Health and Urodynamics Clinic, University of Colorado Hospital
July 2005-June 2012	University of Colorado Hospital, OR committee member

July 2006-June 2010      Assistant Residency Director of Urology, University of Colorado School of Medicine

2003-2004                 Committee member, Seed Grant Funding, Department of Surgery, University of Colorado School of Medicine

**MEDICAL LICENSURE AND BOARD CERTIFICATION**

August 2014-present      Diplomat of the American Board of Urology, Subspecialty certification in Female Pelvic Medicine and Reconstructive Surgery (FPM-RS)

March 2004-present      Diplomat of the American Board of Urology

May 2002-present         Colorado Medical License

2002-present              DEA number

**REVIEW AND REFEREE ACTIVITIES**

**Journal Reviews**

2020-present              Reviewer: *Translational Andrology and Urology*

2017-present              Section Editor: *BMC Urology*

2014-present              Reviewer: *Canadian Journal of Urology*

2014-present              Reviewer: *International Urology and Nephrology*

2012-2016                 Reviewer: *BMC Urology*

2011-present              Reviewer: *Neurourology & Urodynamics*

2009-present              Reviewer: *International Urogynecology Journal*

2005-present              Reviewer: *The Journal of Urology*

2004-present              Reviewer: *Urology*

2006                         Reviewer: *Clinical Anatomy*

2006                         Reviewer: *Issues in Urology*

2003                         Reviewer: *BJU International*

**Scientific Meeting Review and Program Preparation**

2018- present              Ralph E. Hopkins Urology Seminar at Jackson Hole, Jackson Hole, Wyoming, program committee member

2015-present	AUA Annual meeting, Abstract reviewer for urinary Incontinence
2015-present	Rocky Mountain Urologic Society, program committee chair
2013-2014	Rocky Mountain Urologic Society, program committee member
2016, 2017	South Central Section of the American Urologic Association, program committee chair
2010-2015	Resident Essay Contest Judge, South Central Section of the American Urologic Association
2010-present	Society of Urodynamics, Female Pelvic Medicine and Urogenital Reconstruction, program committee member
2008-present	AUA Annual Meeting, Post-graduate course peer review
2007-2013, 2017, 2018	South Central Section of the American Urologic Association, Abstract reviewer for urinary incontinence
2007-2013, 2018	South Central Section of the American Urologic Association, program committee member

### **Scientific Meeting Moderator**

2020	Moderated podium session – <i>Female Urology/Incontinence</i> . SUFU Annual Meeting, Scottsdale, Arizona, February 2020.
2020	Critique panel participant, 40 <sup>th</sup> Annual Ralph E. Hopkins Urology Seminar at Jackson Hole, Jackson Hole, Wyoming, February 2019.
2019	Moderated podium session (PD37) - <i>Urodynamics/Lower Urinary Tract Dysfunction/Female Pelvic Medicine/Male Incontinence Therapy II</i> . AUA Annual Meeting, Chicago, Illinois, May 2019.
2019	Critique panel participant, 39 <sup>th</sup> Annual Ralph E. Hopkins Urology Seminar at Jackson Hole, Jackson Hole, Wyoming, February 2019.
2018	Moderated podium session (PD36) - <i>Urodynamics/Lower Urinary Tract Dysfunction/Female Pelvic Medicine/Neurogenic</i>

- Voiding Dysfunction II.* AUA Annual Meeting, San Francisco, California, May 2018.
- 2018 Critique panel participant, 38<sup>th</sup> Annual Ralph E. Hopkins Urology Seminar at Jackson Hole, Jackson Hole, Wyoming, February 2018.
- 2017 Moderated podium session-*FPMRS/Neurourology*, Annual Meeting of the SCS AUA, Naples, Florida, November 2017.
- 2017 Moderated poster session (MP46) - *Urodynamics/Lower Urinary Tract Dysfunction/Female Pelvic Medicine/Male Incontinence Therapy*. AUA Annual Meeting, Boston, Massachusetts, May 2017.
- 2017 Moderated podium session-*Male Incontinence/Urodynamics/Neuromodulation*. SUFU Annual Meeting, Scottsdale, Arizona, March 2017.
- 2016 Moderated podium session- *Urodynamics/Lower Urinary Tract Dysfunction/Female Pelvic Medicine: Male Incontinence Therapy I*. AUA Annual Meeting, San Diego California, May 2016.
- 2013 Moderator: *Challenging cases in male reconstructive urology*. Annual Meeting of the Russian Speaking Urology, San Diego California, May 2013.
- 2013 Moderator: *Challenging cases in female reconstructive urology*. Annual Meeting of the Russian Speaking Urology, San Diego California, May 2013.
- 2013 Panel Moderator: *Challenging cases in pelvic organ prolapse repair*. Rocky Mountain Urologic Society, Denver, Colorado, April 2013.
- 2012 Moderated podium session-*Male Incontinence/Urodynamics*, SUFU Annual Meeting, New Orleans, Louisiana, March 2012.
- 2011 Moderated podium session-*Bladder Dysfunction, Continence, Female Urology*, Annual Meeting of the SCS AUA, San Antonio, Texas, September 2011.
- 2011 Moderated panel discussion on *Male Stress Urinary Incontinence*: Annual Meeting of the SUFU, Phoenix, Arizona, March 2011.

- 2010 Moderated podium session-*Bladder Dysfunction, Continence, Female Urology*, Annual Meeting of the SCS AUA, Lewisburg, West Virginia, September 2010.
- 2010 Director breakout session-*Treatment of Complex Voiding Dysfunction: Strictures and Incontinence*: Annual Meeting of the SUFU, St. Petersburg, Florida, February 2010.
- 2009 Moderated poster session-*Male Incontinence and reconstruction*, SUFU Annual Meeting, Las Vegas, Nevada, February 2009.
- 2008 Moderated panel discussion on *Challenges in Male Incontinence*. Societe Internationale d'Urologie World Uro-Oncology Update, Santiago, Chile, November 2008.
- 2007 Participated in a panel discussion on *troubleshooting the male incontinence prosthetics*. Post graduate review: evaluation and management of male urinary incontinence, Annual Meeting of the SCS AUA, Colorado Springs, Colorado, September 2007.
- 2006 Moderated podium session-*Female Urology*, Annual Meeting of the SCS AUA, Santa Fe, New Mexico, October 2006.
- 2005 Moderated podium session-*Bladder Dysfunction, Continence, Female Urology*, Annual Meeting of the SCS AUA, Austin, Texas, September 2005.

#### **INVITED PRESENTATIONS - INTERNATIONAL**

1. *Management of bladder neck contracture after BPH surgery*: Health Edge Communications, Live webinar on zoom, Mumbai, India, September 2020.
2. *Posterior urethral stenosis after prostate cancer therapy: Evaluation and management*. Genitourinary Reconstruction Lecture Series live stream on YouTube, University Hospitals, Cleveland, Ohio, July 2020.
3. *Innovations in reconstructive urology: The use of buccal mucosa for robotic ureteral neck reconstruction*. Brazilian-Portuguese Urology Program, Chicago, Illinois, May 2019.
4. *Innovations in reconstructive urology: The use of buccal mucosa for robotic bladder neck reconstruction*. Brazilian-Portuguese Urology Program, San Francisco, California, May 2018.

5. *Innovations in reconstructive urology: The use of buccal mucosa for robotic ureteral reconstruction.* Brazilian-Portuguese Urology Program, San Francisco, California, May 2018.
6. *Surgical management of female SUI 2017.* Portuguese Urology Program, Boston, Massachusetts, May 2017.
7. *Female urology conference: Issues in prolapse and refractory OAB: Associacao Escoloa Paulista De Urologia,* Sao Paulo, Brazil, April 18, 2016.
8. *Voiding dysfunction and neurogenic bladder: Contemporary management.* 2015 SMU/CMUN/AUA lessons in Urology Course, Mexico City, Mexico, August 2015.
9. *New advances in the treatment of overactive bladder.* 2015 SMU/CMUN/AUA lessons in Urology Course, Mexico City, Mexico, August 2015.
10. *Female SUI.* 2015 SMU/CMUN/AUA lessons in Urology Course, Mexico City, Mexico, August 2015.
11. *Pelvic organ prolapse.* 2015 SMU/CMUN/AUA lessons in Urology Course, Mexico City, Mexico, August 2015.
12. *Anterior and posterior urethral reconstruction.* 2015 SMU/CMUN/AUA lessons in Urology Course, Mexico City, Mexico, August 2015.
13. *Ureteral reconstruction.* 2015 SMU/CMUN/AUA lessons in Urology Course, Mexico City, Mexico, August 2015.
14. *Bladder augmentation and urinary diversion.* 2015 SMU/CMUN/AUA lessons in Urology Course, Mexico City, Mexico, August 2015.
15. *Benign prostatic hyperplasia.* 2015 SMU/CMUN/AUA lessons in Urology Course, Mexico City, Mexico, August 2015.
16. *Urodynamics.* 2015 SMU/CMUN/AUA lessons in Urology Course, Mexico City, Mexico, August 2015.
17. *Contemporary management of male voiding dysfunction.* Curso-Taller Del Manejo Quirurgico De La Hiperplasia, Hospital Central Militar, Mexico City, Mexico, August 2015.
18. *Surgical management of anterior urethral stricture disease: New techniques for urethroplasty.* Catterdra Di Urologia Universita di Roma Tor Vergata International Urology Symposium, Rome, Italy, June 2015.
19. *Surgical management of iatrogenic injury to the ureter, bladder and urethra.*

Catterdra Di Urologia Universita di Roma Tor Vergata International Urology Symposium, Rome, Italy, June 2015.

20. *Male Incontinence: Management of Complications Post Implantation.* Annual Meeting of the AUA, International Russian-Speaking Urological Society (iRUS), New Orleans, Louisiana, May 2015.
21. *Urethral stricture case presentation.* Annual Meeting of the AUA, International Russian-Speaking Urological Society (iRUS), New Orleans, Louisiana, May 2015.
22. *Surgical management of SUI: Non-mesh based repairs.* Portuguese Urology Program, Orlando, Florida, May 2014.
23. *Surgical management of POP: Non-mesh based repairs.* Portuguese Urology Program, Orlando, Florida, May 2014.
24. *Female urology update:* Annual Meeting of the Portuguese Speaking Urology, Washington, D.C, May 2011.
25. *Challenges in male incontinence.* Societe Internationale d'Urologie World Uro-Oncology Update, Santiago, Chile, November 2008.

#### **INVITED PRESENTATIONS - NATIONAL**

1. *Complex cases in male SUI.* Panel discussion, Annual Meeting of the SCS AUA, October 2020.
2. *Management of male SUI in 2020, how I do it.* Plenary Session, RMUS Annual Meeting, Denver, Colorado, August 2020.
3. *Management of female SUI.* Panel discussion, RMUS Annual Meeting, Denver, Colorado, August 2020.
4. *OAB.* Panel discussion, RMUS Annual Meeting, Denver, Colorado, August 2020.
5. *Robotic assisted laparoscopic buccal mucosa graft ureteroplasty.* University of California-Irvine Zoom Lecture Series, Irvine, California, June 2020.
6. *Crossfire: Controversies in Urology - Robotic reconstruction, almost as good as the real thing.* AUA Live, crossfire, June 2020.
7. *Ileal ureteral interposition in patients with complex ureteral strictures.* 40<sup>th</sup> Annual Ralph E. Hopkins Urology Seminar at Jackson Hole, Jackson Hole, Wyoming, February 2020.
8. *Female urethroplasty with buccal mucosa graft: How I do it..* 40<sup>th</sup> Annual Ralph E. Hopkins Urology Seminar at Jackson Hole, Jackson Hole, Wyoming, February 2020.

9. *Bulbar urethroplasty: Transected vs. nontransected techniques*. Nebraska Urologic Society, Omaha, Nebraska, June 2019.
10. *Ileal ureteral interposition in patients with complex ureteral strictures*. University of Nebraska Grand Rounds, Omaha, Nebraska, June 2019.
11. *Robotic sacrocolpopexy: How I do it*. University of Nebraska Grand Rounds, Omaha, Nebraska, June 2019.
12. *Surgical techniques: Tips and Tricks-Prostate cancer survivorship*. AUA Annual Meeting, Plenary Session, Chicago, Illinois, May 2019.
13. *Robotic ureteral reconstruction with buccal mucosa*. 39<sup>th</sup> Annual Ralph E. Hopkins Urology Seminar at Jackson Hole, Jackson Hole, Wyoming, February 2019.
14. *The opioid crisis: Latest developments, impact on urologic pain management*. 39<sup>th</sup> Annual Ralph E. Hopkins Urology Seminar at Jackson Hole, Jackson Hole, Wyoming, February 2019.
15. *Opioid prescribing in urologic practice panel discussion*. Annual Meeting of the SCS of the AUA, Nashville, Tennessee, September 2018.
16. *Surgical techniques: Tips and Tricks-Replacement and revision of the artificial urinary sphincter (AUS)*. AUA Annual Meeting, Plenary Session, San Francisco, California, May 2018.
17. *Opioid crisis panel discussion*. RMUS Annual Meeting, Denver, Colorado, April 2018.
18. *Panel: Underactive Bladder (UAB)*. Annual Meeting of SUFU, Plenary Session, Austin, Texas, March 2018.
19. *Surgical management of bladder neck contracture after BPH surgery*. 38<sup>th</sup> Annual Ralph E. Hopkins Urology Seminar at Jackson Hole, Jackson Hole, Wyoming, February 2018.
20. *Urethral stricture case discussion*. Annual Meeting of the SCS of the AUA, Annual Meeting of the SCS AUA, Naples, Florida, November 2017.
21. *Panel discussion: Integrating leadership opportunities into your professional life – being effective in all your roles*. Annual Meeting of the SCS of the AUA, Annual Meeting of the SCS AUA, Naples, Florida, November 2017.
22. *Surgical management of female SUI in 2017*. University of New Mexico Grand Rounds, Albuquerque, New Mexico, August 2017.

23. *Surgical management of anterior urethral stricture disease*. University of New Mexico Grand Rounds, Albuquerque, New Mexico, August 2017.
24. *Setbacks and operative solutions: Prolapse surgery*. Annual Meeting of the AUA, Plenary Session, Boston, Massachusetts, May 2017.
25. *Challenging cases in Male Urinary Incontinence*. RMUS Annual Meeting, Denver, Colorado, April 2017.
26. *FPMRS panel discussion, difficult cases*. Annual Meeting of the SCS of the AUA, Colorado Springs, Colorado, September 2016.
27. *Surgical management of posterior urethral stenosis after prostate cancer therapy*. Upstate Medical University, Syracuse, New York, July 2016.
28. *New techniques for anterior urethroplasty*. Oklahoma State Urologic Association Annual Meeting, Oklahoma City, Oklahoma, March 2016.
29. *Management of complications from female SUI surgery*. Oklahoma State Urologic Association Annual Meeting, Oklahoma City, Oklahoma, March 2016.
30. *Back to the future: Surgical management of female SUI and prolapse in 2016 using native tissue*. Oklahoma State Urologic Association Annual Meeting, Oklahoma City, Oklahoma, March 2016.
31. *New advance in the treatment of overactive bladder*. 36<sup>th</sup> Annual Ralph E. Hopkins Urology Seminar at Jackson Hole, Jackson Hole, Wyoming, January 2016.
32. *Voiding dysfunction and neurogenic bladder: Contemporary management*. 36<sup>th</sup> Annual Ralph E. Hopkins Urology Seminar at Jackson Hole, Jackson Hole, Wyoming, January 2016.
33. *Transvaginal mesh multidistrict litigation update*. RMUS Annual Meeting, Denver, Colorado, April 2015.
34. *Vaginal mesh update 2015*. Annual Meeting of SUFU, Plenary Session, Scottsdale, Arizona, February 2015.
35. *Reconstruction of the upper urinary tract: Tricks of the Trade*. Annual Meeting of SUFU, Breakout Session, Scottsdale, Arizona, February 2015.
36. *Surgical management of anterior urethral stricture disease: New techniques for urethroplasty*. 35<sup>th</sup> Annual Ralph E. Hopkins Urology Seminar at Jackson Hole, Jackson Hole, Wyoming, January 2015.

37. *State-of-the-Art Lecture: Surgical management of transvaginal mesh complications: Mesh pain, infection, exposure and perforation.* Annual Meeting of the SCS of the AUA, State-of-the-art-lecture, Rancho Mirage, California, October 2014.
38. *Critical discussion: Mesh removal in the lower urinary tract – Techniques.* Annual Meeting of the AUA, Plenary Session, Orlando, Florida, May 2014.
39. *Urethral reconstruction: Tricks of the trade.* Annual Meeting of SUFU, Breakout Session, Miami, FL, February 2014.
40. *Transvaginal mesh 2013: The good, the bad, and the ugly.* Perspectives in Urology, Scottsdale, Arizona, January 2014.
41. *Management of male stress urinary incontinence: Slings and sphincters.* Perspectives in Urology, Scottsdale, Arizona, January 2014.
42. *Surgical management of anterior urethral stricture disease: New techniques for Urethroplasty.* Perspectives in Urology, Scottsdale, Arizona, January 2014.
43. *Surgical management of female SUI: Back to the future (retropubic tapes and pubovaginal sling).* Perspectives in Urology, Scottsdale, Arizona, January 2014.
44. *Management of complications of pelvic surgery.* Geisinger Medical Center Visiting Professorship, Danville, Pennsylvania, June 2013.
45. *Management of complications of prostate cancer therapy.* Geisinger Medical Center Visiting Professorship, Danville, Pennsylvania, June 2013.
46. *Transvaginal Mesh 2013: The good (retropubic tapes), the bad (TV mesh kits) and the ugly (morbidity and lawsuits)!* Rocky Mountain Urologic Society, Denver, Colorado, April 2013.
47. *How I manage transvaginal mesh complications: Mesh exposure and urinary tract erosion.* Rocky Mountain Urologic Society, Denver, Colorado, April 2013.
48. *Transvaginal mesh for POP repair: Proper use, patient selection and management of complications.* NYU School of Medicine. Surgical, Pharmacological and Technological Advances in Adult and Pediatric Urology, State-of-the Art, New York, New York, December 2011.
49. *Panel discussion: Neuromodulation in office-based practices.* Rocky Mountain Urologic Society, Denver, Colorado, March 2011.
50. *Panel moderator: Post-prostatectomy incontinence.* Rocky Mountain Urologic Society, Denver, Colorado, March 2011.

51. *Panel moderator: Male stress urinary incontinence*, SUFU Annual Meeting, Plenary Session, Phoenix, Arizona, March 2011.
52. *The management of recalcitrant bladder neck contraction and incontinence following radical prostatectomy*. AUA, Plenary Session, San Francisco, California, May 2010.
53. *The spectrum of stress urinary incontinence 2010*. Arizona Urologic Society, Phoenix, Arizona, April 2010.
54. *Treatment of complex voiding dysfunction: Strictures and incontinence*: SUFU Annual Meeting, breakout session, St. Petersburg, Florida, February 2010.
55. *Female urology “potpourri.”* Perspectives in Urology: Point-Counterpoint, Phoenix, Arizona, November 2009.
56. *The spectrum of stress urinary incontinence surgery 2009*. Perspectives in Urology: Point-Counterpoint, Phoenix, Arizona, November 2009.
57. *Management of the devastated posterior urethra after prostate cancer therapy*. Pierce Memorial Lecture, Wayne State University, Detroit, Michigan, October 2009.
58. *The spectrum of SUI surgery 2009*. 3<sup>rd</sup> Annual Collaborative Perspectives on Pelvic Floor Surgery, San Francisco, California, August 2009.
59. *What are the components necessary to develop good clinical trials design? Male SUI*. NIDDK New Research Directions in Urinary Incontinence Symposium, Bethesda, Maryland, January 2009.
60. *Use of mesh in pelvic floor reconstruction*. New Mexico Urologic Society, Albuquerque, New Mexico, October 2008.
61. *Non-surgical Management of post-prostatectomy incontinence*. SUNA (Society of Urologic Nurses), Denver, Colorado, September 2008.
62. *Complications of prolapse and incontinence surgery: Prevention and management*. Rocky Mountain Urologic Society, Denver, Colorado, July 2008.
63. *Management of the obliterated outlet after prostate cancer therapy*. University of Utah, Urology Grand Rounds, Salt Lake City, Utah, June 2008.
64. *Surgical therapy for recurrent SUI and pelvic organ prolapse*. Utah Urologic Society, Salt Lake City, Utah, June 2008.
65. *New advances in surgical therapy for SUI and pelvic organ prolapse*. Evergreen Hospital Gynecology Grand Rounds, Kirkland, Washington, June 2008.

66. *Review of trauma, reconstructive urology and urinary diversion.* 2008 AUA Highlights, Plenary Session, Orlando, Florida, May 2008.
67. *Management of the devastated posterior urethra after prostate cancer therapy.* Madigan Army Hospital, Urology Grand Rounds, Tacoma, Washington, March 2008.
68. *Complications of prolapse and incontinence surgery: Prevention and management.* Madigan Army Hospital, Urology Grand Rounds, Tacoma, Washington, March 2008.
69. *New Advances in surgical therapy for SUI and pelvic organ prolapse.* Puget Sound Urology Society, Tacoma, Washington, March 2008.
70. *Troubleshooting the male incontinence prosthetics.* Postgraduate review course: Evaluation and management of male urinary incontinence, Annual Meeting of the SC-AUA, Colorado Springs, Colorado, September 2007.
71. *AUA 2007 highlights of Female Urology, Neurourology, Urodynamics and Reconstructive Urology.* Washington University Urology 10<sup>th</sup> Annual AUA Highlights Conference, St. Louis, Missouri, June 2007.
72. *The midurethral sling update.* Utah Urologic Conference, Salt Lake City, Utah, March, 2007.
73. *Management of anterior and posterior urethral strictures.* Utah Urologic Conference, Salt Lake City, Utah, March, 2007.
74. *Practical urodynamics.* Jackson Hole Seminars, Jackson Hole, Wyoming, February 2006.
75. *Pubovaginal sling using the transvaginal tape obturator system (TVT-O) for all types of SUI: Preliminary results.* Jackson Hole Seminars, Jackson Hole, Wyoming, February 2006.
76. *Bulbar urethral stricture disease: A Stepwise approach to management.* Jackson Hole Seminars, Jackson Hole, Wyoming, February 2006.
77. *Complications of prolapse and incontinence surgery: A stepwise approach.* Jackson Hole Seminars, Jackson Hole, Wyoming, February 2006.
78. *New advances in the treatment of overactive bladder.* Jackson Hole Seminars, Jackson Hole, Wyoming, February 2006.
79. *Surgical management of SUI: The transobturator approach.* University of New Mexico Grand Rounds, Albuquerque, New Mexico, June 2005.

80. *New advances in the treatment of male overactive bladder.* New Mexico Urological Society, Albuquerque, New Mexico, June 2005.
81. *New advances in the treatment of post-prostatectomy incontinence.* Female Urology and Voiding Dysfunction in Your Practice, Fort Lauderdale, Florida, February 2005.
82. *Office evaluation of urinary incontinence and pelvic organ prolapse.* Female Urology and Voiding Dysfunction in Your Practice, Fort Lauderdale, Florida, February 2005.
83. *Surgical management of SUI: The biological pubovaginal sling.* Female Urology and Voiding Dysfunction in Your Practice, Fort Lauderdale, Florida, February 2005.
84. *Surgical management of SUI: The midurethral sling debate.* Female Urology and Voiding Dysfunction in Your Practice, Fort Lauderdale, Florida, February 2005.
85. *The tension-free midurethral sling: Retropubic approach.* Female Urology and Voiding Dysfunction in Your Practice, Fort Lauderdale, Florida, February 2005.
86. *New advances in the treatment of post-prostatectomy incontinence.* Perspectives in Urology, Phoenix, Arizona, November 2004.
87. *Surgical management of stress urinary incontinence: The midurethral sling debate.* Perspectives in Urology, Scottsdale, Phoenix, November 2004.
88. *Procedure selection for bulbar and posterior urethroplasty.* University of New Mexico Grand Rounds, Albuquerque, New Mexico, April 2004.
89. *Office evaluation and management of urinary incontinence.* New Mexico Urological Society, Albuquerque, New Mexico, April 2004.
90. *Office evaluation of urinary incontinence and pelvic organ prolapse.* Jackson Hole Seminars, Jackson Hole, Wyoming, February 2004.
91. *Minimally invasive sling therapy.* Jackson Hole Seminars, Jackson Hole, Wyoming, February 2004.
92. *Procedure selection for bulbar urethroplasty.* Jackson Hole Seminars, Jackson Hole, Wyoming, February 2004.
93. *Transvaginal approach to vaginal vault prolapse.* Jackson Hole Seminars, Jackson Hole, Wyoming, February 2004.
94. *Salvaging continence in men with prior AUS implantation: Management of urethral erosion, urethral atrophy and AUS infection.* Jackson Hole Seminars, Jackson Hole, Wyoming, February 2004.

95. *Delayed management of pelvic fracture urethral distraction defect.* Jackson Hole Seminars, Jackson Hole, Wyoming, February 2004.
96. *Male incontinence and voiding dysfunction.* 49<sup>th</sup> Annual Family Practice Review, Denver, Colorado, November 2003.
97. *Procedure selection for bulbar urethroplasty.* Perspectives in Urology, Scottsdale, Arizona, November 2003.
98. *Management of urinary incontinence following radical prostatectomy.* Perspectives in Urology, Scottsdale, Arizona, November 2003.
99. *Minimally invasive therapies for stress urinary incontinence.* Perspectives in Urology, Scottsdale, Arizona, November 2003.
100. *Hypospadiology: the modern era.* Hypospadias and Epispadias Association, Denver, Colorado, April 2003.
101. *Management of SUI and vaginal vault prolapse.* Perspectives in Urology, Scottsdale, Arizona, November 2002.
102. *Modern management of posterior urethral stricture and defect.* Perspectives in Urology, Scottsdale, Arizona, November 2002.
103. *Management of post-prostatectomy incontinence. Which procedure to choose?* Perspectives in Urology, Scottsdale, Arizona, November 2002.
104. *Incontinence and voiding dysfunction.* Emerging Issues in Men's Health, Chicago, Illinois, December 2002.

### **UNIVERSITY OF COLORADO SOM TEACHING RECORD**

#### **School of Medicine Courses**

1. Urology Elective, 2014 – Present, this is 6-month elective for SOM students, MS1, MS2.
2. Foundations of Doctoring, University of Colorado School of Medicine, 2013 – Present, this is a preceptorship for SOM students, MS1, MS2.
3. Bladder and Micturition, Cardiovascular, Pulmonary, Renal Course Number IDPT5005 A, University of Colorado SOM, Denver, Colorado, May 2006 - May 2019.
4. Life cycles lecturer, University of Colorado School of Medicine, 2007, Lecture on Lower Urinary Tract Function.

### **Presentations at Grand Rounds and Other Invited Presentations**

1. *Urodynamic findings in patients with neurogenic bladder dysfunction.* Urology Grand Rounds, University of Colorado SOM, University of Colorado SOM, Denver, Colorado, November 2020.
2. *Urodynamics, how I do it.* Urology Grand Rounds, University of Colorado SOM, University of Colorado SOM, Denver, Colorado, October 2020.
3. *Management of recurrent SUI after AUS.* Urology Grand Rounds, University of Colorado SOM, University of Colorado SOM, Denver, Colorado, March 2020.
4. *Management of male SUI.* Urology Grand Rounds, University of Colorado SOM, University of Colorado SOM, Denver, Colorado, March 2020.
5. *Ileal ureteral interposition in patients with complex ureteral strictures.* Urology Grand Rounds, University of Colorado SOM, University of Colorado SOM, Denver, Colorado, February 2020.
6. *Robotic ureteroplasty for upper and lower urinary tract stricture.* Urology Grand Rounds, University of Colorado SOM, University of Colorado SOM, Denver, Colorado, March 2019.
7. *Surgical management of bladder neck contracture after BPH surgery.* Urology Grand Rounds, University of Colorado SOM, University of Colorado SOM, Denver, Colorado, April 2018.
8. *Ureteral reconstruction: Case discussion.* Urology Grand Rounds, University of Colorado SOM, University of Colorado SOM, Denver, Colorado, November 2017.
9. *Neurogenic voiding dysfunction: Failure to Store, Failure to Empty.* Urology Grand Rounds, University of Colorado SOM, Denver, Colorado, October 2017.
10. *Urodynamics 101.* Urology Grand Rounds, University of Colorado SOM, Denver Colorado, September 2017.
11. *Female pelvic medicine and reconstructive surgery case presentations.* Urology Grand Rounds, University of Colorado SOM, Denver, Colorado, March 2017.
12. *Neurogenic voiding dysfunction, for the basic scientist.* Surgical Biology Dialogue, University of Colorado SOM, Denver, Colorado, December 2016.
13. *Ureteral reconstruction.* Urology Grand Rounds, University of Colorado SOM, University of Colorado SOM, Denver, Colorado, November 2016.

14. *Contemporary Management of Neurogenic Voiding Dysfunction: Failure to Store, Failure to Empty*. Urology Grand Rounds, University of Colorado SOM, Denver, Colorado, October 2016.
15. *Surgical Management of Anterior Urethral Stricture Disease: New Techniques for Your Practice*. General Surgery Grand Rounds, University of Colorado SOM, Denver Colorado, October 2016.
16. *Urodynamics primer*. Urology Grand Rounds, University of Colorado SOM, Denver Colorado, September 2016.
17. *Management of Complications from Prostate Cancer Therapy: Posterior Urethral Stricture and Rectourethral Fistula*. Urology Grand Rounds, University of Colorado SOM, Denver Colorado, April 2016.
18. *Management of complications from female SUI surgery*. Urology Grand Rounds, University of Colorado SOM, Denver Colorado, February 2016.
19. *Surgical Management of Ureteral Injury from Pelvic Surgery*. Urology Grand Rounds, University of Colorado SOM, Denver Colorado, April 2015.
20. *Surgical Management of Anterior Urethral Stricture Disease: New Techniques for Your Practice*. Urology Grand Rounds, University of Colorado SOM, Denver Colorado, February 2015.
21. *Management of Female Stress Urinary Incontinence (SUI) 2015*. Surgery Grand Rounds, University of Colorado SOM, Denver Colorado, January 2015.
22. *Physiology of the Lower Urinary Tract dysfunction in Multiple Sclerosis*. Neurology MS Education Meeting, University of Colorado SOM, Denver Colorado, August 2014.
23. *Physiology of the Lower Urinary Tract*. Urology Grand Rounds. Urology Grand Rounds, University of Colorado SOM, Denver Colorado, August 2014.
24. *Surgical Management of Female SUI: Pubovaginal Sling and MUS*. Urology Grand Rounds, University of Colorado SOM, Denver Colorado, March 2014.
25. *New Techniques in Anterior Urethroplasty*. Urology Grand Rounds. University of Colorado SOM, Denver Colorado, February 2014.
26. *Transvaginal Mesh Medical Device Controversy 2014*. Urology Grand Rounds, University of Colorado SOM, Denver Colorado, February 2014.
27. *Management of Complications of Pelvic Surgery*. Urology Grand Rounds. University of Colorado SOM, Denver Colorado, March 2013.

28. *University of Colorado Female Pelvic Medicine and Reconstructive Surgery Annual Research Update*. Urology Grand Rounds, University of Colorado SOM, Denver Colorado, March 2013.
29. *Management of Refractory OAB: Neuromodulation and Botox*. Urology Journal Club, June 2012.
30. *Management of Complications from Prostate Cancer Therapy: Posterior Urethral Stricture and Rectourethral Fistula*. Surgery Grand Rounds, University of Colorado SOM, Denver Colorado, May 2012.
31. *Transvaginal Mesh Complications: Prevention and Management*. Urology Grand Rounds, University of Colorado SOM, Denver Colorado, February 2012.
32. *Urologic issue in MS patients*. Neurology Grand Rounds, University of Colorado SOM, University of Colorado SOM, Denver, Colorado, January 2012.
33. *Transvaginal Mesh for POP Repair: Proper use, Patient Selection and Management of Complications*. Urology Grand Rounds, University of Colorado SOM, Denver Colorado, February 2011.
34. *Contemporary Management of Neurogenic Bladder*. Urology Grand Rounds, University of Colorado SOM, University of Colorado SOM, Denver, Colorado, October 2010.
35. *Complications of Prolapse and Incontinence Surgery: Prevention and Management*., Urology Grand Rounds, University of Colorado SOM, Denver Colorado, February 2010.
36. *Minimally Invasive Surgery for Pelvic Organ Prolapse*. Grand Rounds, University of Colorado SOM, University of Colorado SOM, Denver, Colorado, August 2009.
37. *Management of the devastated posterior urethra after prostate cancer therapy*. Urology Grand Rounds, University of Colorado SOM, Denver, Colorado, June 2008.
38. *Troubleshooting the Male Incontinence Prosthetics*. Urology Grand Rounds, University of Colorado SOM, Denver, Colorado, May 2008.
39. *Complications of Prolapse and Incontinence Surgery: Prevention and Management*. Urology Grand Rounds, University of Colorado SOM, Denver Colorado, June 2008.
40. *Office Evaluation and Management of Pelvic Organ Prolaps*., Family Medicine Lecture Series, University of Colorado SOM, University of Colorado SOM, Denver, Colorado, April 2008.

41. *Office Evaluation and Management of Urinary Incontinence Minimally*. Family Medicine Lecture Series, University of Colorado SOM, University of Colorado SOM, Denver, Colorado, March 2008.
42. *Minimally Invasive Surgery for Pelvic Organ Prolapse*. Grand Rounds, University of Colorado SOM, University of Colorado SOM, Denver, Colorado, November 2007.
43. *Minimally Invasive Surgery for Pelvic Organ Prolapse*. Urology Research Symposium, University of Colorado SOM, Denver, Colorado, August 2007.
44. *Clinically Oriented Pelvic Anatomy: Female Review*. Life Cycle SOM Course Number 6003, University of Colorado SOM, Denver, Colorado, January 2007.
45. *Management of Bulbar Urethral Stricture*. Surgery Grand Rounds University of Colorado SOM, Denver, Colorado, October 2006.
46. *Management of Pelvic Fracture Urethral Distraction Defect*. Urology Research Symposium, University of Colorado SOM, Denver, Colorado, August 2006.
47. *Surgical Management of SUI: The Mid-urethral Sling Debate*. Urology Research Symposium, University of Colorado SOM, Denver, Colorado, July 2005.
48. *Surgical Management of SUI: The Mid-urethral Sling Debate*. OB-GYN Grand Rounds, University of Colorado SOM, Denver, Colorado, February 2005.
49. *Surgical Management of SUI: The Mid-urethral Sling Debate*. Urology Grand Rounds, University of Colorado SOM, Denver Colorado, October 2004.
50. *Management Urinary Incontinence Following Radical Prostatectomy. Which Procedure to Choose?* Urology Grand Rounds, University of Colorado SOM, Denver Colorado, December 2003.
51. *Modern Management of Posterior Urethral Stricture and Defect*. Surgery Grand Rounds, University of Colorado SOM, Denver Colorado, June 2003.

### **GRANT SUPPORT**

1. Cook Myosite Phase III 15-06-03-US: Adaptive Design Study of Autologous Muscle Derived Cells Compared to Placebo for Female Urinary Sphincter Repair (CELLEBRATE). Industrial sponsorship, multi-institutional study, Cook, Pittsburgh, Pennsylvania. Principal investigator 2019-present, amount =.
2. Boston Scientific AUSCOS – U0669: Artificial Urinary Sphincter Clinical Outcomes and Safety. Clinical events committee member. Responsible for adjudication of pre-specified events as they occur. November 2019- present.

3. Covance D-FR-52120-222: A phase III, multi-centered, randomized, double blind, parallel group, placebo controlled study to assess the efficacy and safety of one or more intradetrusor treatments of 600 or 800 units of dysport for treatment of urinary incontinence in subjects with neurogenic detrusor overactivity due to spinal cord injury or multiple sclerosis. Industrial sponsorship, multi-institutional study, Covance, Nashville, Tennessee. Principal investigator 2016-present, amount = .
4. COMIRB #13-2482: Improving bladder care for patients with multiple sclerosis. University of Colorado Denver. Co-investigator November 2013-2019.
5. Allergan 191622-117: BOTOX® for the Treatment of Urinary Incontinence due to Neurogenic Detrusor Overactivity in Patients with Multiple Sclerosis 191622-117. Industrial sponsorship, multi-institutional study, Allergan, Irvine, California. Principal investigator 2014-2015, amount = \$147,500.
6. Swan Valley Medical. COMIRB Protocol 14-0378: T-SPeC Suprapubic Catheter Device. Industrial sponsorship, single-institution study, Swan Valley Medical, Bigfork, Montana. Principal investigator 2014-2015, amount = 50 units donated to University of Colorado Hospital @ \$695 = \$34,750.
7. Diabetic complications of Lower Urinary Tract Symptoms: Effect of Diabetes on bladder functions in a partial outlet obstructed mouse model. Seed Grant, Department of Surgery, University of Colorado Denver. Principal investigator 2009, amount = \$25,000.
8. Biochemical alterations in partial bladder outlet obstruction in mice: Upregulation of the MAP kinase pathways. Seed Grant, Department of Surgery, University of Colorado Health Sciences Center. Principal investigator 2006, amount = \$50,000.
9. Biochemical alterations in bladder outlet obstruction: The use of transgenic mice as an experimental Tool. Seed Grant, Department of Surgery, University of Colorado Health Sciences Center. Principal investigator 2005, amount = \$50,000.
10. Mechanisms of bladder hypertrophy due to bladder outlet obstruction. Dean's academic research fund, University of Colorado Health Sciences Center. Principal investigator 2004, amount = \$50,000.
11. Early molecular changes associated with partial bladder outlet obstruction. Mowad research fund, Geisinger Health Center. Principal investigator 1999, amount = \$75,000.
