

LICENSURE AND SPECIALTY CERTIFICATIONS:

Infant Mental Health Mentor (IV) Endorsement from the Michigan Association for Infant Mental Health September, 2009.
Licensed Psychologist Colorado Number 3091 Issued 05/21/07 Expiration 8/31/11
Clinical Specialization in Pediatric Nursing: ANCC Certified April, 2006. Expiration April, 2011.
Registered Nurse, State of Colorado 92723
Registered Nurse, State of New Mexico R16596 (Inactive)
Registered Nurse, State of Oklahoma R0045819 (Inactive)
Assessment of Preterm Infant Behavior
Bayley Scales of Infant Development
Home Observation for the Measurement of the Environment
Neonatal Individualized Developmental Care and Assessment Program (NIDCAP®);
NIDCAP® trainer
Nursing Child Assessment Feeding and Teaching Scales
Stress Management Educator Certification

PROFESSIONAL POSITIONS

Interim Chief of Pediatric Psychology	2009-present University of Colorado Department of Psychiatry and Behavioral Sciences and The Children's Hospital Aurora, Colorado
Faculty appointment	2009-present Irving Harris Program for Child Development and Infant Mental Health University of Colorado Department of Psychiatry Aurora, Colorado
Clinical Associate Professor	2007-Present University of South Florida College of Public Health, Tampa, Florida
Graduate School Faculty appointment	2007-present University of Colorado Health Sciences Center School of Graduate Studies
Faculty, Developmental Psycho- Biology Research Group	2001-Present Department of Psychiatry University of Colorado Health Sciences Center
Associate Professor	2003-Present Department of Pediatrics

	University of Colorado Denver
Director of Interdisciplinary Training	2006- Present JFK Partners Department of Pediatrics University of Colorado
Director, NIDCAP® Regional Training Center FIRST Program Fragile Infant Feeding Institute	1989 - Present
Director, Colorado Consortium of Neonatal Intensive Care Nurseries	1993 - Present
Supervising Faculty	1999-2002 Clinical Psychology Internship Program The Children's Hospital, Denver, Colorado
Associate Clinical Professor	1996 - 1997 University of Colorado Health Sciences Center Department of Pediatrics
Assistant Professor	1998-2003 Department of Pediatrics University of Colorado
Faculty Affiliate	1993 - 1995 Colorado State University Fort Collins, Colorado
Assistant Professor (Adjunct)	1990 - Present University of Colorado Health Sciences Center School of Nursing
Instructor	Summer, 1995 University of Northern Colorado Division of Special Education Greeley, Colorado
Clinical Assistant Professor	1988 - 1989 College of Nursing University of Oklahoma
Infant Development Specialist NIDCAP® Training Director Infant Transition Project	1986 - 1989 Division of Neonatology Department of Pediatrics University of Oklahoma

Neonatal & Infant Developmental Specialist	1989 - Present The Children's Hospital Denver, Colorado
Independent Grant Writer	1985 - 1990
Project Coordinator, Home Intervention Project for High Risk Infants of Teenage Mothers	1986 - 1987 Department of Pediatrics University of Oklahoma
Visiting Professor of Human Development	1988 - 1989 Department of Individual and Family Development University of Oklahoma
Director, Pediatric Pulmonary Center	1983 - 1985
Assistant Director	1977 - 1983
Clinical Specialist	1977 - 1985 Department of Pediatrics University of New Mexico School of Medicine
Assistant Professor	1979 - 1985 College of Nursing University of New Mexico
Associate Director, New Mexico Cystic Fibrosis Center	1983 - 1985 University of New Mexico
Instructor	1975 - 1977 Department of Pediatrics Medical College of Georgia
Assistant Professor	1980 - 1985
Instructor	1979 - 1980 Department of Pediatrics University of New Mexico School of Medicine Chief Project Nurse
	1975 - 1977 Children & Youth Project
Staff Nurse	1971 - 1973 Doctor's Memorial Hospital Atlanta, Georgia
	1973 - 1975 Eugene Talmadge Memorial Hospital

Surgery & Pediatrics
Augusta, Georgia

HONORS

Visiting Professorship Brigham and Women's Hospital, Boston, MA November 15-18, 2009
Executive Committee-Developmental Psychobiology Research Group, 2003-2004 and 2009-2010.
NIDCAP® Master Trainer 2006-present
Board of Directors, NIDCAP Federation International 2002-2004
Research Honor Award: Mercer University, Atlanta, Georgia, 2002.
North American Consultant to the European Science Foundation, Developmental Care Committee, 2000-2004.
Zero to Three Mid-Career Fellowship – Leaders for the 21st Century, 1999-2001.
March of Dimes Outstanding Board Member, 1997.
Distinguished Alumnae Award, Georgia Baptist College of Nursing, 1995.
Nightingale Award nominee, 1993.
Mead Johnson Perinatal Research Scholar. Awarded through Sigma Theta Tau, International, 1991-92.
Membership Award for outstanding contribution to the state professional organization. Awarded by the New Mexico Nurses' Association, 1981.
President, American Thoracic Society Section on Nursing 1978-1979.
Nellie English Award for outstanding contribution to the state professional organization. Awarded by the Georgia Nurses' Association, Tenth District, 1975.
Listed in Who's Who Among Students in American Colleges and Universities, 1974.

MEMBERSHIPS

Colorado Clinical and Translational Sciences Institute
American Psychological Association
World Association for Infant Mental Health
Colorado Association for Infant Mental Health
International Society for Developmental Psychobiology
International Society for Infant Studies
International Perinatal Brain and Behavior Network
NIDCAP Federation International
Australian Association of Neonatal Nurses--Queensland

INSTITUTIONAL COMMITTEES

Nursing Research Committee, The Children's Hospital

ASSOCIATE EDITOR

Infant Mental Health Journal

INVITED GUEST EDITOR

Newborn and Infant Nursing Reviews, December, 2008

NIDCAP training contracts

Joy V. Browne, Principal Contractor

Funding Agency: Presbyterian Hospital, Albuquerque, New Mexico.

Funding for 2007-2009 \$115,000

Funding Agency: Arnaud de Villeneuve Hospital, Montpellier, France

Funding through 2007 \$10000

Funding Agency: Memorial Hospital, Colorado Springs, Colorado

Funding for 2006-2008 \$10,000

Funding Agency: Erasme Hospital, Brussels, Belgium

Funding through 2007 \$14,000

Educational contracts through JFK Partners—IFSPs for Newborns and Young Infants

Funding agency: Colorado Department of Developmental Disabilities

Funding for 2007-2009 \$10,000.

GRANTS AUTHORED AS A CONSULTANT—See addendum 2

MAJOR RESEARCH INTERESTS

Physiologic and neurobehavioral responses to environment and caregiving in high risk infants.

Effects of long term hospitalization on the infant and family.

Evaluation of the effects of a supportive program for infants and families transitioning from NICU to home.

Neurobehavioral regulation in infancy.

ORIGINAL WORKSHOPS DEVELOPED AND OFFERED LOCALLY AND NATIONALLY

IFSPs for Newborns and Young Infants

Family Infant Relationship Support Training (FIRST) Certificate program

Fragile Infant Feeding Institute. Week long Institute for Professionals.

Advanced Workshop of Feeding the Infant in the NICU—Developmental Approaches

Mental Health Issues for Infants with Special Health Needs—One day Key Concepts

Videoconferenced Series for JFK Partners

Using Pre-Steps and BEGINNINGS To Understand the Special Developmental Needs of Premature and High Risk Infants.

INVITED LECTURES/GUEST TEACHING/PAPERS PRESENTED (representative, not inclusive).

Recent invited presentations:

“Early Intervention for Children—What are the outcomes?” Invited symposium to the European Society for Pediatric Research” Hamburg, Germany. October, 2009.

Visiting Professorship: Brigham and Women’s Hospital, Boston, Massachusetts. November, 2009.

“The BABIES Model for Working with Newborns and Young Infants”. Invited symposium National Training Institute, Zero to Three; Dallas, Texas, December, 2009.

“Infants with Special Health Care Needs” Western Regional Early Intervention Conference for Deaf and Blind Interventionists. April 24, 2009.

“Infants with Special Health Care Needs: Mental Health Implications”. Invited Symposia to the Colorado Association for Infant Mental Health, February 12-13, 2009.

“Communication of infants and their caregivers”. Plenary presentation at the Developmental Interventions in Neonatal Care, Denver, Colorado. October 4, 2008.

Concurrent workshop: The late preterm infant: What are the developmental differences? Developmental Interventions in Neonatal Care. Las Vegas, Nevada, October 4, 2008.

Keynote address—“Interrelationships between physiology, behavior and NICU procedures on infant organization”. Pediatric Section, American Physical Therapy Association Combined Sections Meeting, Nashville, Tennessee. February 9, 2008.

Plenary address: “Moving Minds: Evidence based practices for influencing change”. Physical and Developmental Environments of High Risk Infants. Clearwater Beach, Florida. January 31, 2008.

Invited symposium: “Essential attachment: Supporting relationships between preterm infants and their parents in the NICU”. Zero to Three National Training Institute, Orlando, Florida. December 1, 2008.

Invited plenary address: “Psychobiology of touch and handling: Implications for caregiving and family interaction in the NICU”. Developmental Interventions in Neonatal Care. Las Vegas, Nevada, November 13, 2008.

Concurrent workshop: The late preterm infant: What are the developmental differences? Developmental Interventions in Neonatal Care. Las Vegas, Nevada, November 14, 2007.

Neonatology noon conference: "Feeding as a developmental construct". The Children's Hospital, Denver, Colorado. November 8, 2007.

Keynote address: "Evolution of neonatal nursing: A global perspective". International Neonatal Nursing Conference, Delhi, India. September 16, 2007.

Workshops: "Neurodevelopmental care in the newborn intensive care unit: How do we do it?" and "Humane neonatal nursing: A neurobiological imperative". International Neonatal Nursing Conference, Delhi, India. September 15, 2007.

Invited plenary addresses: "Relationship between physiology, behavior and the impact of NICU care on infant organization", and "The practice of individualized care: Bedside caregiving and systems change to impact infant and family outcomes. Indiana Perinatal Network meeting, April 22, 2007 Carmel, Indiana.

"Cerebral Function Monitoring for the bedside caregiver" and "Challenging issues for end of life decision making". Workshops presented at the Second International Conference on Brain Monitoring, Clearwater Beach, Florida, January, 2007.

"Communication of infants and their caregivers". Plenary presentation at the Gravens Physical and Developmental Environments of High Risk Infants, Clearwater Beach, Florida, February, 2007.

"Is it cold in here or is it just me? Thermoregulation in the NICU". Workshop at the Gravens conference on the Physical and Developmental Environment of the High Risk Newborn. Clearwater Beach, Florida, January, 2006.

Workshop chair for the International Neonatal Brain Monitoring Conference , Clearwater Beach, Florida, January, 2006.

"DC-0-3R" discussion group for the Zuni Tribe Mental Health Staff, Zuni, New Mexico, December, 2005.

Coordination of Key Concepts lecture series, October 1, 2002.

Plenary address to the Australian Association for Infant Mental Health, Sydney, Australia, November 14-16, 2002.

Plenary address to the New Zealand Association for Neonatal Nurses—April 30, 2003.

Plenary session and workshops at the Developmental Interventions in Neonatal Care meeting, San Francisco, California, October 23-26, 2002.

Plenary and workshop sessions at the Physical and Developmental Environments of High Risk Newborns, Florida, January 28-Feb 2, 2003.

Neonatal Advanced Perinatal Nursing Forum, Washington, DC. May 27-29, 2004.

“Mental Health in Infants and Toddlers with Special Needs”. Coordinated one-day seminar and presented at the Zero to Three National Training Institute, San Diego, California. December, 2001.

“Leadership when You’re not Preaching to the Choir”. Panel presentation at the Zero to Three National Training Institute, San Diego, California. December, 2001.

“Evidence Based Handling and Positioning in the NICU”, and “Leadership and Change” at the Physical and Developmental Environments of High Risk Infant” workshop, Sydney, Australia. November, 2001.

“Mental Health Issues for Infants and Toddlers with Special Health Needs”. Developed one-day workshop and presented talk, Key Concepts Lecture series, JFK Partners, Denver, Colorado. October, 2002.

"Working in a Fishbowl"; Applying Family centered Concepts to newborn Intensive Care"; Evaluation and Research in Family centered Practice" and "Leadership for Family Centered Change". OTHER

Program Planning committee member for The Young Child with Special Needs, Denver, Colorado, 2006.

Program co-director, The International Conference on Neonatal Brain Monitoring. Clearwater Beach, Florida 2006, 2007, 2008.

Program co-director, The Physical and Developmental Environment of the High Risk Newborn 2002 to present.

Chair, Developmental Psychobiology Research Group Retreat, 2004.

Co-Chair, Developmental Psychobiology Research Group retreat, 2002.

Consensus Panel Member for the Design of Intensive Care Units. Journal of Perinatology, December, 2002-present.

Program co-director, the Physical and Developmental Environment of High Risk Newborns, January, 2002, 2003, 2004, 2005, 2006, 2007.

President, Colorado Association for Infant Mental Health 2001-2005.

Program consultant, Developmental Interventions in Neonatal Care conference, November, 2001, 2002, 2003, 2004, 2005, 2006, 2007.

North American observer/consultant. European Science Foundation workshop on developmental care. Tours, France. December, 2000.

Planning Committee for the Physical and Developmental Environment of the High Risk Infant Tampa, Florida, January 30-Feb 3, 2001

Program Planner for the Developmental Interventions in Neonatal Care conference, New Orleans, LA, Nov 5-8, 2000.

Zero to Three National Training Institute Work Group 2000, 2001, 2002, 2003.

Colorado Perinatal Care Council appointment 1998-present.

Colorado Infant Hearing Advisory Committee, 1998-present.

Chairperson, Grants Committee, Colorado March of Dimes, 1995 – 2001.

Board of Directors, Anchor Center for Blind Children, 1995 - Present.

Board of Advisors, Transitional Infant Care program, Philadelphia, PA. 1998-present.

Chair, Quality Assurance subcommittee on implementation of family centered care, The Children's Hospital, Denver, Colorado, 1995-6.

Centennial Olympic Games staff. Atlanta, GA, 1996.

Consultant, national project funded by NIH, NICHP & NCNR entitled "The Physical & Developmental Environment of the High Risk Infant", 1993 - Present. Stanley Graven, M.D., principal investigator.

Honorary Chairperson, Newborn Hope, 1993.

Board of Directors, Colorado Chapter March of Dimes, 1991 - Present.

Chairperson, Chapter Programs Committee, March of Dimes, 1991 - 1992.

Member, Handicap Advisory Board, City of Loveland, 1990 - 1992.

Convener, educational preparation for neonatologists focusing on neurodevelopmental care & family support, Estes Park, CO, 1991.

Co-chairperson for the national meeting "Developmental Intervention in Neonatal Care", sponsored by Contemporary Forums, San Diego, CA, 1988, 1991, 1996, 1998.

Invited poster presentation "Individualized Intervention for Preterm Infants: A Program to Enhance Infant Outcome and Nursing Satisfaction", National Association of Children's Hospitals and Related Institutions, 1988.

Docent, Oklahoma City Zoo, 1986-1989.

Member, Pediatric Respiratory Home Care Committee, Pediatric Assembly, American Thoracic Society, 1986.

Chair, Medical Advisory Committee, and Member, Board of Directors, Cystic Fibrosis Foundation, New Mexico Chapter, 1983-5.

Member, Psychophysiologic Interest Group, University of New Mexico Department of Psychology, 1983 -1985.

American Thoracic Society, Chair of the Nursing Section, 1983-1984.

Reviewer, Institution Training Grants for Pediatric Pulmonary Nursing for the American Lung Association, 1981-1985.

Director of Education, Camp Superkids (American Lung Association, NM Chapter). Camp for asthmatic children, 1981-1984.

Chairperson, State Continuing Education Committee, New Mexico Nurses' Association, 1979-80.
